Education

- 2019-2021 **Sharif University of Technology**, *Department of Mathematical Sciences, Master's Student, Applied Mathematics.*
- 2018 **IAUCTB**, *Department of Electrical Engineering B.S. in Electrical Engineering.*

Technical Skills

Programming PYTHON, R, SQL, UNIX
Web FRONTEND- HTML, CSS, BOOTSTRAP, ,BACKEND- PYTHON, FLASK

Certifications

- University of Michigan, Coursera **Applied Data Scientist with Python**
A comprehensive specialization in Data Science including Data Visualization, Machine Learning, NLP, Social Network Analysis.[Link]
- IBM **Applied Data Science with R**
Proficiency in programming in R programming for Data Science, and proficiency in analyzing working with databases in R.[Link]
- IBM **Machine Learning with Python**
Demonstrates an understanding of Supervised vs. Unsupervised Learning, applications of different types of machine learning models, and how to build and evaluate machine learning models.[Link]

Test Scores

- September 2017 **TOEFL Internet-Based Test, Total score: 110/120**
R 30/30, L 28/30, S 26/30, W 26/30,
